

Dear Representative Lyons,

I understand that the State House Committee on Elections and Ethics will be meeting at noon today to discuss the proposal to allocate Michigan's electoral votes for President of the United States along congressional district lines.

I ask that you not report this bill (HB 5974) favorably. As in the case of term limits (to which I am opposed), I believe that any changes to the Electoral College should be made by Michigan voters and not elected officials.

Please place my e-mail in the Committee's file on HB 5974 for future reference.

Thank you for your consideration.

Sincerely,

Sondra
